

### **Irena Adkins, PhD**

Graduated from the Faculty of Natural Sciences of Charles University in Prague, Czech Republic and completed her PhD thesis in immunology at the Eberhard Karls University in Tübingen, Germany. Between 2007 and 2012, she carried out her post-doctoral research in the infectious immunology field at the Czech Academy of Sciences in Prague. She took several fellowships at leading immunology institutions (Trinity College, Dublin, Ireland and EPFL, Lausanne, Switzerland). In 2012, she joined Sotio's research department as a Senior Scientist leading several scientific projects in the field of tumor immunology and immunotherapy. Since 2013 she is engaged in teaching at 2<sup>nd</sup> Medical Faculty of Medicine, Charles University and University hospital Motol, Prague. In recent years her area of expertise was extended on pre-clinical drug development and design of pre-clinical studies.
